GP3600

Features

- **PowerRush™ ADVANCED TECHNOLOGY** – Delivers over 40% more starting capacity allowing you to do more with less.*
- Generac's OHV engine with splash lubrication provides a long engine life.
- Low oil level shutdown automatically safeguards engine from damage.
- Large capacity steel fuel tank with incorporated fuel gauge provides durability and long run time.
- 1" steel tube cradle for added durability and strength.
- Heavy duty, never-flat wheels allow for easy portability (wheel kit included).
- Fold down handle for sturdy portability and compact storage (handle included).

*Increases electrical current upon demand above rated output when starting electric motors

Control Panel

AC Rated Output Running Watts 3600
AC Maximum Output Starting Watts 4500
