STUMP GRINDER

- Powerful 19.5 FPT Generac G-Force Engine.
- Carbide-tipped cutting teeth tackle any size stump.
- Detachable tow bar makes for easy transport.
- Constructed of 12 gauge steel; light weight, durable design.
- Quickly eliminate stumps, expand lawn and field areas, and remove mowing hazards.

FEATURES

- **Generac G-Force Engine:** Powerful, easy starting engines make our stump grinders the natural choice for any task, and are designed for long life.
- **A Cut Above:** Spinning at almost 2,800 rpm, the eight mining-grade tungsten carbide-tipped steel teeth devour a remarkable 360 "bites" per second.
- **Simple and Efficient Operation:** Designed with simple operation in mind, the Generac Pro Stump Grinder quickly finishes the assigned task every time.
- **Detachable Tow Bar:** Makes transport simple. Hitches to any ATV, UTV, or tractor—2 in (51 mm) ball hitch or pin hitch included. Remove the tow bar with a single pin to start working.
