Generac Power Systems, Inc.
Product Manager – Transfer Switches

To Whom It May Concern,

Pearl River Valley Electric Power Association (PRV) has received and reviewed the Generac electric meter panel with a built-in automatic transfer switch. Based on the information provided to us for review, PRV has approved this specific model/equipment for use in our service territory, effective as of the date of this letter.

Again, this approval is only for the model and part number listed here, based on the information provided to us. PRV reserves the right to add or remove any equipment from our approved list, at any time, at its sole discretion.

RXGUW200A3

Regards,

Erik LaVine, P.E.
Manager of Engineering & Operations
Pearl River Valley Electric Power Association
